2010

President's Patter

Greetings! Hope everyone had a wonderful summer! Excitement is in the air for a new musical season!

Our September social is sure to be a treat with guest clinician, Scott McBride Smith, and the new, American Popular Piano Method. See www.nvmusicgroup.com for a peek at the beautiful materials. This 9:00am workshop will be followed by lunch at the Esther Simplot Performing Arts Academy.

October 8-9 will feature our state conference right here in town! Events will be held at Dunkley Music with guest clinician and acclaimed pianist, Molly Morrison, NCTM.

As per our March business meeting, we voted to rotate all committee positions. I will be soliciting people to vice-chair these events. Please seriously consider your time to serve. Enormous thanks to our current chairpeople who do and have done an outstanding job for many years!

To adapt a famous quote, "Ask not what your music teachers organization can do for you, but what you can do for your MTA." :)

Here's to another GREAT year!

Sincere and Humble Thanks,

Juli
